

Product Specification Sheet

ThinkPad 15" Vertical Rolling Laptop Case

Part #: ONR002US

Product Description:

The ThinkPad 15" Vertical Rolling Laptop Case was created for the professional on the move. The unique, vertically oriented roller case is perfect for narrow hallways or airline isles. Featuring our patent SafePORT® Air Cushion System your notebook will be well protected wherever you go. Also featuring a retractable holder for your airline ticket and passport, retractable blue light in the workstation, removable sleeve for 8 CD/DVDs, separate file sections, front storage with sections for business cards, pens, keys and accessory pouches, you'll have what you need to get organized. Include the mobile phone pocket, water bottle holder, molded gel-like foam shoulder strap for extreme carrying comfort and this case has a place for everything you need to take with you. The trolley handle can be used to attach a smaller case or this roller has a pass-through trolley pocket allowing it to be attached to most overnight rolling luggage cases. Functional, practical, versatile, organized, this case is ready for anything and everything.
